This magnificent new construction apartment, still under construction, is located next to the main commercial avenue of La Massana, in a family residential area near the communal pool and tennis courts, very quiet and perfectly connected. It has all the necessary services available and is just 400 meters from the gondola that provides access to the ski slopes of the Pal-Arinsal domain. The apartment has 104.36m² distributed across a large living-dining room with access to a 12.06m² terrace, a spacious kitchen integrated into the dining area, equipped with high-end appliances. In the resting area, there are 2 bedrooms, one of which is en suite with a full bathroom, and a double bedroom, both with built-in wardrobes. There is also a second full bathroom. The property includes a parking space and a storage room in the same building. Facing east, the apartment enjoys sunlight from the early hours of the day until mid-afternoon, and has views of the Camí Ral, with the river and the valley of La Massana. This exclusive apartment, perfectly situated, is an excellent investment for a family seeking a prestigious residence in the center of a city with the dynamism of La Massana and wanting to enjoy its wide range of activities with all the space and comforts needed.
